Cost: \$145 (10 classes)
Checks payable to Challenge Island

At Challenge Island we believe that you are never too young to start imagining, creating and thinking big! Join us every Wednesday for an exciting journey to **Amusement Park Island**. You and a tribeful of friends will create thrill rides galore at exciting destinations like Roller Coaster Cliff, Zipline Zone, and Rocket Heights. Amusement Park Island promises to be the hottest ticket around, so reserve your spot soon!

S.T.E.A.M. Challenge Island introduces students to the wonders of science, the thrill of engineering and joy of creative thinking. S.T.E.A.M. (Science, Technology, Engineering, Art, and Math) are at the core of every Challenge Island lesson. Because our signature challenges are **Child-Driven**, they naturally adapt to each child and tribe's developmental level.

21st Century Skills At Challenge Island, we consider the needs of both the child of today and the adult of the future. For today's kids, we offer whimsical, engaging journeys into new worlds of adventure and imagination – For tomorrow's adults, we offer the foundation upon which to build the skills required to thrive in a competitive, 21st century global society, (Skills like communication, collaboration, critical and creative thinking abilities, flexibility, sociability, initiative, leadership, and perseverance through difficulty).

The Island Spirit Students thrill to our signature Island spirit. The music, the whimsy, the journeys to fantastical islands are so exciting to them that they hardly notice all the meaty academic and life skills they are acquiring in the process.
