Morning Camp: 9:00 a.m. - 12:00 p.m.

Basketball Camp

Rising 1st - 4th Graders | Fee: \$150

Coached by Mr. Travis Whetzel, this fun, coed camp focuses on learning and improving on the fundamental skills of shooting, passing, ball handling, defensive techniques, and teamwork. Skills will be taught through fun and challenging drills and team play.

"Sciencepalooza"

Rising 1st & 2nd Graders | Fee: \$175

Come discover, experiment, and create as we learn about the colliding worlds of art and science in this STEAM-based camp. We'll create biomes from around the world, star gaze at constellations, master meteorology, investigate how things work and dabble in chemistry and physics. Put on your learning cap and grab the art supplies because this STEAM camp will rock your world!

"Design the Runway"

Rising 3rd & 4th Graders | Fee: \$350

Design your very own fashion line with us! Budding designers will create a fashion portfolio, create a one of a kind piece with recyclable goods and end the week with a runway show to top Fashion Week! We will participate in several design challenges too. Come design the runway with us!

Monday, June 3 - Friday, June 7

Afternoon Camp: 1:00 p.m. - 4:00 p.m.

"Builders"

Rising 1st & 2nd Graders | Fee: \$175

Calling all inventors, creators, builders and designers! Come build some awesome creations with us. We will create our own designs and make structures using recyclable materials, Legos and many other interesting items. Skills necessary...none! Skills gained: communication, problem solving, reasoning, developing creativity, and teamwork.

"Scratch That Code"

Rising 2nd - 5th Graders | Fee: \$150

Please join Mrs. Donia Teagle for an introduction to computer coding. We'll be using Scratch to learn the basics of coding to create games and animations by using simple coding principles, which can then be shared within the Scratch community. Come and get creative and use your problem-solving skills to make our games fun. Join me, won't you?

"Learning French through Comic Books" - French

Rising 1st - 4th Graders | Fee: \$150

Taught by Mrs. Marietta Juillard, this class will introduce students to well-known French and Belgian comic books such as *Asterix and Obelix*, *Tintin*, *Lucky Luke*, *Spirou*, *Johann et Pirlouit*, and *Tom Tom et Nana*, all of which will serve as the base from which to explore French history, geography, culture, and language. Class exercises will incorporate the cartoons to strengthen speaking, listening, and writing skills in French. Camp will end with a skit/performance by the students. No previous French language experience necessary.

Monday, June 10 - Friday, June 14

Morning Camp: 9:00 a.m. - 12:00 p.m.

Multi-Sports Camp

Rising 1st - 4th Graders | Fee: \$150

Join Mr. Travis Whetzel for fun games and drills with multiple sports played each day. Campers will learn the basic skills of a variety of sports along with offensive and defensive strategies while also being taught self-confidence, fitness, teamwork, and sportsmanship. This camp is open to both boys and girls.

Sewing Camp

Rising 3rd - 5th Graders | Fee: \$170

Want to learn a useful skill while creating something fun? Sewing is a fun skill to learn and one that will be useful throughout life, whether sewing on a button, hemming a skirt or pair of pants, or creating something lovely for yourself or your room. This summer workshop, taught by Mrs. Misty Boling, will teach basic hand sewing and machine sewing skills with a fun project. Join some friends and experience how fun it can be to sew together!

"World of Wizards"

Rising 3rd - 4th Graders | Fee: \$175

Calling all wizard fans! This is like no other camp you have experienced. We will take a magical journey into the world of wizards. We will design wands, make magic potions, go on a magical creature hunt, play Quidditch, and participate in activities that will astound all Muggles.

Monday, June 10 - Friday, June 14

Afternoon Camp: 1:00 p.m. - 4:00 p.m.

"Super Sleuths"

Rising 3rd & 4th Graders | Fee: \$175

Get out your magnifying glass and detective hat to decipher clues and solve crimes. We'll put our critical thinking skills and STEM knowledge to the test and get to the bottom of mysteries by learning the tricks real investigators use to solve cases. While experimenting with simple detection techniques, your reasoning skills will grow and your problem solving skills will become better than CSI agents.
