No reason to be bored this summer! Let’s learn how to play board games! Taught by Mrs. Blincow, *It’s Your Move* encourages children to use their wits to outplay their opponents no matter what game they’re playing. We will create and play board games and card games, and then we will head outside to play some outdoor games. Leave the electronics in your pocket and come join us in learning how to strategize, compromise, and analyze with board games! Win, lose or draw, the point of playing games is to have fun and show good sportsmanship!
