

Charleston Day School

2022 Summer Math

Rising Second Graders

Dear Parents of Rising Second Graders,

Summer is here as is a well-deserved break! It is a time to play outside with friends, go on vacations or to camp, and enjoy a less structured routine. Your child has worked very hard and learned many new concepts that have strengthened their mathematical foundation. While taking a break from the day-to-day rigor of school is important, continuing to engage in learning activities is too. Continuing to practice learned mathematical skills consistently over the summer will help students retain concepts taught during the school year that will help smooth the transition into Second Grade.

The Summer Math Packet includes nine pages, one page for each week of the summer. Each page has five days of review activities for the week and each day has five boxes in one row to compete, which is why the packet is titled "5-A-Day-Summer-Review". Math skills and concepts will continue to spiral throughout the weeks.

Math Fact Quizzes are being attached to our Summer Math Packet. There are four Math Fact Quiz forms. Your child is required to complete ten Math Fact Quizzes over the summer. The same form may be used, or your child may mix it up by using each of the forms for an extra challenge. The quiz is to be timed for 2 minutes and 30 seconds. Record the number of math facts your child correctly completes at the top of the page in the designated space. If your child was not able to master math facts to 12 during the school year, then more review may be needed throughout the summer. Please return the completed Summer Math Packet and Math Fact Quizzes to your child's Second Grade Teacher in August. We hope you have a wonderful summer!

Many thanks,

1<sup>st</sup> Grade Team

# 5-A-DAY MATH SUMMER REVIEW

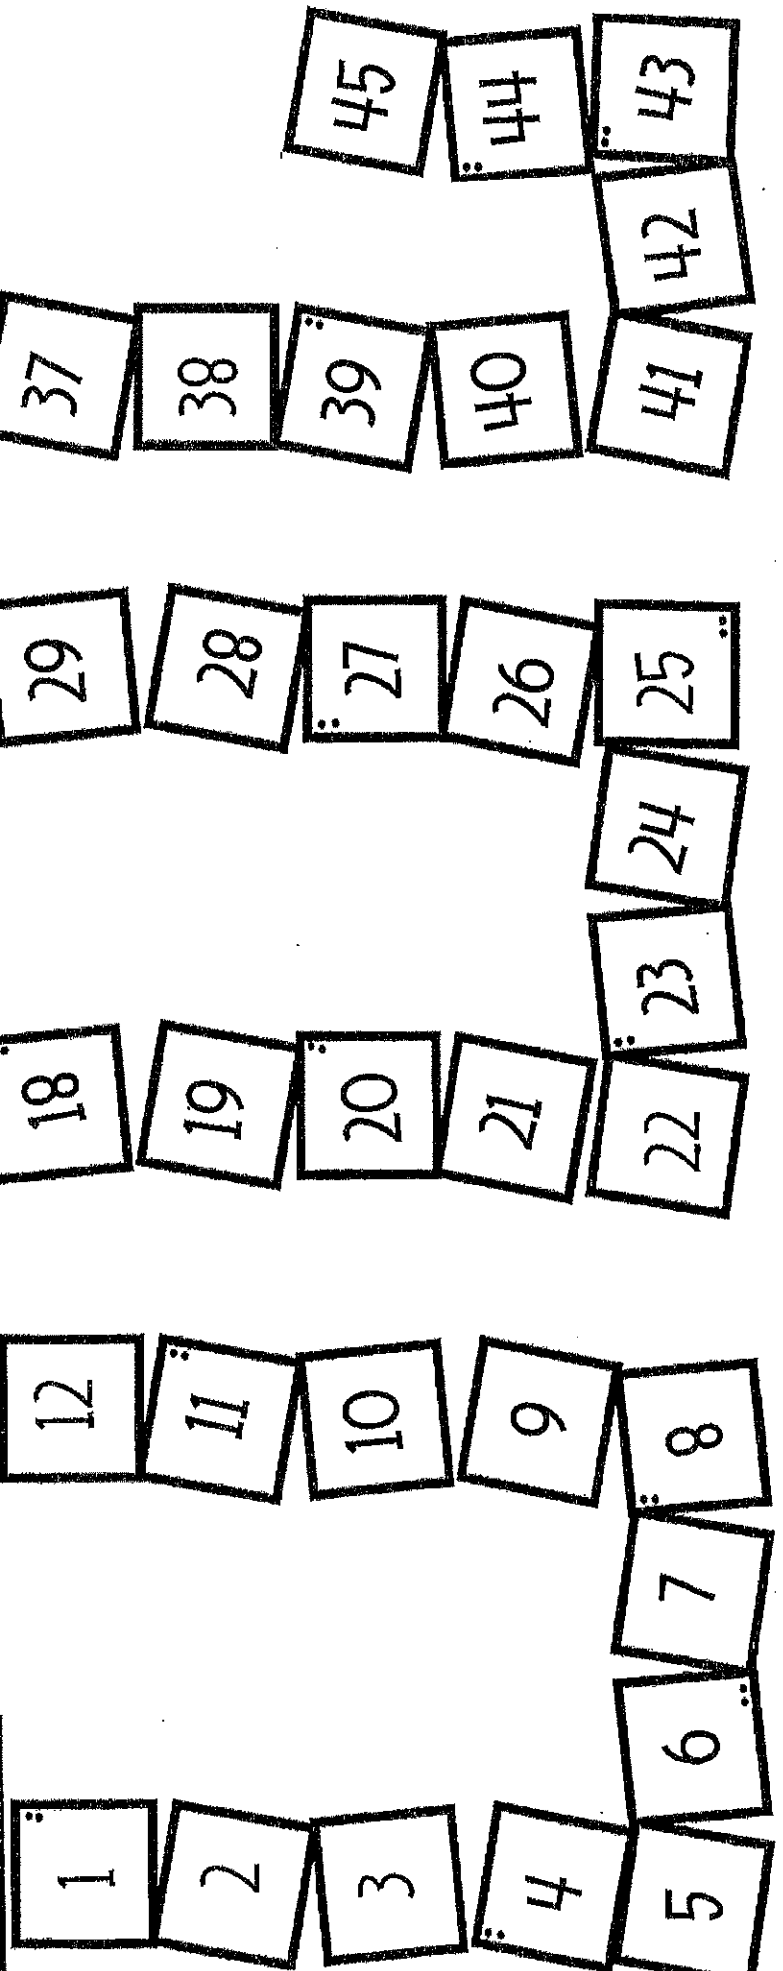

NAME:

# TRACK YOUR PROGRESS

For each day that you  
complete, color in a square  
until you make it to the 45th day  
You can do it!

**Charleston Day School**  
**2022 Summer Reading List**  
**Rising Second Graders**

Dear Parents of Rising Second Graders,

Daily reading practice is a key component on the journey to independent reading! Please help your child keep a record of summer reading titles on the attached **Scavenger Hunt** form. There is a recommended book list included, but please don't feel limited to this list. Allow your child's interests to direct his/her reading selections and encourage curiosity and exploration! Reading aloud to your child while modeling fluency and expression creates a positive reading experience, expands your child's vocabulary, and encourages listening on a higher level. Picture books provide a rich visual experience for all ages. Please encourage your child to linger over the illustrations and look for context clues and visual messages that might not be included in the text (mood, style, setting, time period, etc.). With nonfiction, help your child recognize text features like headings, **BOLD** or *italicized* print, photograph captions, charts, graphs, table of contents, and glossary. These are key ingredients that help the reader understand the topic and the organization of information presented.

**A minimum of ten books is required**, but more is encouraged! Please help your child select a mixture of fiction and nonfiction. Return the **Summer Reading 2022 Scavenger Hunt** to your child's teacher in August. We will use it with a fun activity the first week of school. Please help your child continue to develop the love of reading in a nurturing, low key, stress-free, summer atmosphere!

Many thanks,

Jane Bullard and Tess Powell

# Summer Reading

## SCAVENGER HUNT

stick to your reading goals this summer! Read a book in each category and write the title on the Post-It note!

A collection of 20 Post-it notes arranged in a grid, each with a different reading category written on it. The categories are:

- Graphic novel
- Book with a different perspective
- Book with a different setting
- Book with a different character
- Book with a different time period
- Book with a different author
- Book with a different genre
- Book with a different language
- Book with a different format
- Book with a different cover
- Book with a different title
- Book with a different publisher
- Book with a different price
- Book with a different length
- Book with a different rating
- Book with a different award
- Book with a different subject
- Book with a different theme
- Book with a different style
- Book with a different tone
