

Charleston Day School

IXL Summer Math Requirements

Dear Parents,

This year we are trying something different. Rather than sending home a math workbook full of problems for summer review, we are asking students to use an iPad or any other device to access IXL Math for their **current grade level** to review math skills. CDS students are familiar with IXL since they've used it during the school year.

Listed on the back are 18 lessons we want children to work on with the goal of achieving a mastery level of 90% or better on each skill. The last two lessons are a bonus. This is only a minimal list. Students are certainly welcome to go beyond the assigned list if they choose. (And in some cases, teachers may have suggested that specific students work on additional skills in a particular area if needed.) Teachers will receive a report on the first day of school in August, and the settings will be cleared at that point in preparation for the new school year.

Directions for How to Log On:

The link to the Charleston Day School IXL log-in page is:

bit.ly/charlestowndayixl Students should simply enter their usernames and passwords into the appropriate fields. There is a **Remember** box that can be checked to make the log-in process effortless. The student will click the Math link and appropriate grade level once he/she is logged in. The screen will look a bit different on a tablet or phone than it does on a computer, but the navigation is essentially the same. Please feel free to contact donia.teagle@charlestownday.org if you have any access problems. She will be available throughout the summer.

My child's username is _____

and my child's password is _____.

SECTION	3 rd GRADE SUMMER MATH Code and Title	COMPLETED
A.8	56H Compare Numbers	
B.3	AFE Place Value to the Hundred Thousands	
B.4	DHS Value of a Digit	
B.9	5TF Place Value Word Problems	

Continued on the back

SECTION	3 rd GRADE SUMMER MATH CONTINUED	COMPLETED
C.10	p2Q Add 2 or more 4 Digit Numbers	
D.8	Y57 Subtract with 4 or More Digits	
D.4	q34 Subtract Word Problems	
H.6	qTA Multiplication Word Problems	
H.12	qPM 1 Digit x 2 Multiplication	
H.16	FA7 1 Digit x 3 Multiplication	
K.10	HE7 Missing Numbers in Division Sentences	
L.5	ECS Division Word Problems	
M.12	X8W All Operation Word Problems	
p.3	KMD Rounding	
p. 8	WB2 Estimating Sums Word Problems	
p.11	MH2 Estimating Differences Word Problems	
V.16	JVC Identify Unit Fractions on a Number line	
X.10	HYZ Order Fractions	
M.14	CBA Two-step addition and subtraction WP	
M.15	8FP Two-step Multiplication and division WP
