

# **Charleston Day School**

## **2023 Summer Math**

### **Rising Second Graders**

Dear Parents of Rising Second Graders,

Summer is here as is a well-deserved break! It is a time to play outside with friends, go on vacations or to camp, and enjoy a less structured routine. Your child has worked very hard and learned many new concepts that have strengthened his/her mathematical foundation. While taking a break from the day-to-day rigor of school is important, continuing to engage in learning activities is, too. Continuing to practice learned mathematical skills consistently over the summer will help students retain concepts taught during the school year that will help smooth the transition into Second Grade.

The Summer Math Packet includes nine pages, one page for each week of the summer. Each page has five days of review activities for the week and each day has five boxes in one row to compete, which is why the packet is titled “5-A-Day-Summer-Review.” Math skills and concepts will continue to spiral throughout the weeks.

Math Fact Quizzes are being attached to our Summer Math Packet. Your child is required to complete ten Math Fact Quizzes over the summer. The quiz is to be timed for 2 minutes and 30 seconds. Record the number of math facts your child correctly completes at the top of the page in the designated space. If your child was not able to master math facts to 12 during the school year, then more review may be needed throughout the summer. Please return the completed Summer Math Packet and Math Fact Quizzes to your child’s Second Grade Teacher in August. We hope you have a wonderful summer!

Many thanks,

Second Grade Team

# 5-A-DAY

CREATED BY JANA GUERRA – WE HEART TEACHING

# ABOUT THIS PRODUCT...

Thank you so much for purchasing this product! This summer review packet is an extension of my yearlong 5-a-Day Math Spiral Review. This summer review packet follows the same format: The skills are reviewed in 3 week chunks and continue to build and spiral throughout the weeks. This the PERFECT summer review for your students. It's simple and stress-free for students with just 5 boxes per day, and it take just 9 sheets of paper for 9 weeks!

While the year long 5-a-Day Math is designed for legal-sized paper (although some grade level versions now include a letter sized version), the summer reviews are letter-sized only. This makes for easy printing and easy storage at home.

## What's included?

- Cover sheet and Progress Tracker
- 5-a-Day Math Summer Review weeks 1-9
- Skills overview with CCSS and TEKS (TX standards) included

My #1 priority is always customer satisfaction, and I truly appreciate customer feedback on TPT. Not only do buyers benefit from your ratings and comments, but you also earn credits toward FREE products! If you have any tech issues, questions or find any errors, PLEASE contact me prior to rating so that I may best resolve the issue and ensure that you are completely satisfied with your purchase. You can email me at [jahaguerratpt@gmail.com](mailto:jahaguerratpt@gmail.com). Thanks so much!

*Jana*

Week 1

Date \_\_\_\_\_

DAY 1

**QUICK CHECK**

$$4+4= \quad 5+3=$$

$$1+6= \quad 2+3=$$

$$4 + \underline{\quad} = 10$$

Complete the number bond.

Write the time shown on the clock.

Complete the fact family

4, 5, 9

DAY 2

**QUICK CHECK**

$$3+4= \quad 6+2=$$

$$2+2= \quad 2+5=$$

Write the time shown on the clock.

Complete the fact family

2, 8, 10

$$3 + \underline{\quad} = 10$$

Complete the number bond.

DAY 3

**QUICK CHECK**

$$4+1= \quad 3+3=$$

$$0+7= \quad 6+4=$$

Complete the number bond.

$$5 + \underline{\quad} = 10$$

Complete the fact family

3, 4, 7

Write the time shown on the clock.

DAY 4

**QUICK CHECK**

$$5+2= \quad 0+5=$$

$$7+3= \quad 6+3=$$

Complete the fact family

5, 3, 8

Write the time shown on the clock.

Complete the number bond.

$$7 + \underline{\quad} = 10$$

DAY 5

**QUICK CHECK**

$$5+4= \quad 1+9=$$

$$3+2= \quad 2+8=$$

$$2 + \underline{\quad} = 10$$

Complete the number bond.

Write the time shown on the clock.

Complete the fact family
