

Dear Second Grade Graduates,

Congratulations! We heard you **ROCKED** second grade math. We can't wait to be your teachers in third grade. Here is your summer math work. In third grade, we will play so many fun math games and this packet will help you keep your skills as SHARP AS A TACK! Make sure you complete one page a week, as well as one math facts page. Time yourself each time you complete a fact page and see if you can beat your time. Have a wonderful summer and we can't wait for August!!
