Summer Math 2026 Rising 3rd Grade

Dear Second Grade Graduates,

Congratulations! We heard you **ROCKED** second-grade math. We can't wait to be your teachers in 3rd grade. Here is your summer math work. In third grade, we will play so many fun math games, and this packet will help keep your skills **SHARP AS A TACK!** Make sure you complete one worksheet and one math facts sheet weekly. Time yourself each time you complete a math facts page and see if you can beat your time.

Have a wonderful summer, and we can't wait for August!!

Mrs. Davis and Mrs. Shortridge
